- **Minutes-** Minutes were emailed from last fall. They are available on the North Cape PTO Link.
- **Treasurer's Report-** Majority of what has been coming out of the checking account has been sunshine funds which is money from staff that is just held in this account for various events. A few additional things include yearbooks, roller skating, boombox, and a gift to Raymond School
- **Box Tops & Scrip-** \$603.28 for Scrip this year, and Box Tops have earned \$47.40 this year.

New Business:

- Election- Elections for next year's board were held. Results as follows:
 - President - Katie Wollermann
 - Vice President - Mandy James
 - Secretary- Ashley Lentz
 - Treasurer- Jessica Harris
 - Membership Coordinator- Rebecca Shuman
- 2020-2021 Budget- We budgeted about \$7000 in various expenses for the year, but have spent about \$2000, which is substantially under budget. The budget for next year is in great shape.
- 2021-2022 Budget- A meeting date will be set for sometime during the summer to discuss events that will be realistic to have. This will help us create a budget that fits these events.
- \$500 Scholarship to be awarded at the High School award night. (name will be announced after it's awarded)
- Teacher Appreciation Week- The PTO was happy to be able to provide treats throughout the week for the staff in honor of Teacher Appreciation Week.
- Roller Skating/Stereo- Roller skating unit for students and a new stereo were purchased for Mr. Collins
- Yearbooks- PTO paid the deposit for the yearbooks, but most purchases were made online. It is expected that once the yearbooks come, we will get the difference in the online payments from the orders back to us.
- Citizenship Award- Will be awarded to a graduating student and chosen by teachers.
- EduKit Orders (Due June 15th to get free shipping, final order date is August 6th)- Tracey has organized the kits for us again this year. Ordering before June 15th gets you free shipping as well.
- Gaga Ball Pit- Katie will touch base with Dr. Lehnert about where the gaga ball pit can be installed--which can hopefully be installed this summer.
- Spirit Wear- Profits this year were about \$300. Quality was good, and ordering was simple so it's likely that we will continue to use that company for next year's orders.
- Fundraising ideas for next year- Hoping that next year we will be able to get back into some of

our fundraising events that we normally do. Unfortunately O&H didn't do a kringle sale this year, but hopefully next year will be a bit more 'normal.' If Wayne's Daughters isn't a possibility we might consider restaurant events like Culvers dinner nights or other options if needed.. Discussion was had about giving people an option to donate to the PTO generally vs. towards some specific fundraiser and possibly putting this information on the bottom of any fundraising forms.

**Next meeting:
Sometime early August as a planning meeting.**
