

North Cape PTO May Meeting Minutes
5/4/2022

Attendance: Katie Wollerman, Melissa Holden, Tracey Schaal, Jessica Harris, Mandy James,
Dawn Menken, Rebecca Shuman

Treasurer's report: Over Budget with mother/son event due to unexpected included gratuity. Waiting to hear back from River City Lanes to clarify it for future reference.

Old Business:

- Kringle Sale feedback - Filling orders correctly went well. The spring time frame was well received. Will probably keep the fundraiser in the spring next year.
- Mother/Son Event - went well, breaking it into 2 groups for lanes seemed to work. Will hopefully change it up next year and do something different.
- Teacher's Week - going well, all the items people signed up for have been delivered and the week has been smooth so far.
- Movie Night - 25 kids attended. \$84 in concessions sold.

New Business:

- Scholarship Application - committee has reviewed applications and determined the recipients. Will be giving three scholarships this year since there were three well deserving applicants and only one scholarship was given out last year.
- Spirit Wear Update - The company made an error and the order was delayed. Items should be coming soon.
- Field Day - Will be doing giant popsicles again at lunch time.
- Citizenship Award - Katie will check with Mrs. Kaye on their process and the \$50 set aside for the plaque.
- End of Year PTO get together - Sunday May 29th. Open up to all volunteers and those who helped out this year. An email invite will be sent.
- Budget Planning for next year - will make part of the August meeting. **Wednesday August 3rd at 5 pm in the school parking lot with picnic tables.**
- Election for Next Year's Officers - nominations were made and accepted for Katie Wollerman for President, Mandy James for Vice President, Jessica Harris for Treasurer, Michelle Waddle for Secretary and Melissa Holden for Membership Coordinator. A unanimous ballot was cast and voted on with success.
- Ideas and Suggestions:
 - There is a need for new playground balls, would be a good fundraiser for early next school year.

Next Meeting Wednesday August 3rd in the school parking lot at 5pm.
