

North Cape PTO Minutes

February 5th, 2019

Library

3:45 PM

Attendance: Amy Moczynski, Jenny Niski, Laura Sabo, Nicole Brierly, Katie Freimark, Jessica Harris, Tracey Schaal, Donan Johnson, Amanda Dales, Mandy James, Ashley Lentz, Dawn Menken

- **Minutes-** There were no questions about the minutes from January
- **Treasurer's Report-** Balance sits at around \$11,500. The movie license was the largest expense last month. The art auction money was also dispersed. Jessica did say that we might want to consider setting a date for when receipts need to be turned in after events. It was discussed that having them due two weeks after the event would be good.
- **Scrip-** Made around \$30 last month.

Old business

- **Movie Night- January 25th:** The last movie night did not go well. There were only 13 kids who came. It was super cold out. It was still really hard to get the help, and the profit from that one was really low.
- **Valentine's Carnation Sale- Feb. 15th:** Mandy has found that a lot of places are asking for the orders in November. We placed an order the day they were due, and asked for 50 extra. Those were then claimed the following school day. We were able to get an additional 75, so we should be good. 4k-4th grade had outstanding participation and then it dwindled off from there. Teachers will get a vase for theirs, and the students will go in a larger bucket to keep them fresh. There were a few learning curves as Mandy went through, but overall went super well! Will assemble them Thursday at Mandy's house around 4pm if you'd like to help.
- **Father/Daughter Dance- Feb. 15th:** Planning is off to a great start. Katie is looking for ostrich feathers if anyone knows where they can get them. Monday night they will be doing some crafting at her house for the girls masks around 6:00 PM. Jenny offered to be in charge of beverages. Small bottles of water might be a good option. Stacey and Rebecca will be making the trail mix bar. Amy is going to take care of music. Katie will also bring lights for dancing. Nicole will be doing the pictures for the dance. Right now there is about 52 girls and 35 dads, however the deadline isn't until this Friday. Setup will be Friday morning around 10am.
- **Grandparents Day T-Shirt Sale:** Tracey talked to Melanie about where we got our spirit wear. They are able to do the order for us. They will be a gray t-shirt, with an earth and a message that says "My Grandkids go to the Best School on the Planet." T-shirt cost is \$8. We will charge \$5 extra to offset some of the cost from the event. She hopes to send the order form in the invite and then have them back for the actual day.

New Business

- **BINGO Planning Meeting:** Several things to consider- having it in the gym, and getting extra chips. We have plenty of BINGO cards. BINGO crew will plan to meet following our March 6th PTO meeting.
- **Grandparents Day- March 8th:** Tracey will order the donuts. We already have the photographer

booked. We've got the event down, so it should be a great day!

- **Movie Night- March 15th:** Ashley suggested giving the kids a few choices to get more buy-in from them. Mandy will select a few movies and then have teachers survey their classes. PLEASE sign-up to help in the google doc. We would love to have you! It's also wonderful to have parents who are not part of PTO to help out. Katie also wanted to plan something for the middle schoolers. She's just not sure what, so stay tuned for that!
- **School Supply Program:** Tracey talked to Allison from EduKit. She's been super helpful and nice. They will bring everything into the school for us, and it sounds like it will be an easier program. This one also allows us to choose if they would like to have headphones or earbuds. Tracey is waiting on getting the updated lists from teachers. Allison is also sending us a box of \$200 worth of school supplies as a 'Thank you!' The last day of school will be the last day that we can order this time. All orders will be online. Anyone who orders after that date, and 3 weeks before delivery will be charged an extra \$13, and will get the order shipped right to their house.
- **Spaghetti Dinner- Sunday, April 28th:** Tentative date for the Spaghetti Dinner. PTO will still help with the baskets and get the profit from that. We will add this to the March agenda.
